2nd Report & Effect of Covid-19

Association pour l'Éducation
et la Culture Indo-Himalayenne

Floods in August

On 10th August heavy Rainfall lashed for several days, which triggers massive floods and floods water has entered our Rainbow Campus due to breached of Nerok Water supply canals which is just behind campus fencing wall, we dump gravels and earth against the Main school building to cut the water flow against the Building Foundation which we did successfully. Our Main School building is intact and in very good Condition thanks to Our Architect Amandine Lepers Stanzin

Wooden Flooring

As the unlock process in India Started we are able to order Materials for the Classrooms and with the helps of local carpenters we almost finished the flooring Parts and Side paneling and Classrooms Bench for two classes shall be start in comings days.

Restoration of Canals along the Trees

Due to the floods canals along the trees are filled up with Sands and clay, Post floods we restored all the canals. Trees are grown well this year due to the abundant water thanks to the Rotary Club Geneve and Madame Valerie Marti.

Mr. Beer paid surprise Visit to School.

Further Agenda

Soon we will resumed to put the Paneling in the classrooms and the Bench, regarding the opening of Schools, for the time being there is no clear direction from the School administration as Covid-19 cases are spiking in Ladakh & we are hoping and praying for early recovery from Covid. Thanks you all for your support and care, Team Rainbow.
